

We are award winners

We are proud to have won the:

2004 Australian Bridal Industry Award

For Honeymoon Travel Agent of the Year (Melbourne).

Our management and staff were thrilled to receive the award, as we strive to provide all couples with a honeymoon experience that will be remembered forever.

How do you set up a honeymoon registry?

The Adventure Travel Company will provide you with a card that can be inserted into your wedding invitations, outlining your request for family and friends to contribute to the registry. Payments can be made by your guests via BPAY, cash or credit card in store.

The guests will have the opportunity to offer a cash value to the overall honeymoon, or allocate their gift to certain aspects of the itinerary. For example 1 night accommodation, 2 days car hire, a romantic dinner, a harbour cruise or a massage.

How do we pay you?

Your consultant will advise you as to when full payment is required. This is usually 2 months prior to your departure date.

Your family and friends however can continue to contribute right up until the day of the wedding.

The first Monday following your wedding, The Adventure Travel Company will arrange for the funds to be paid into your nominated account.

We will also send you an itinerary which will show where each person's gift was allocated.

* Administration fees apply

About The Adventure Travel Company

The Adventure Travel Company has been designing adventure travel holidays and honeymoons for Australians since 1998, with great success.

We believe that adventure travel is more than just a holiday requiring physical and mental stamina. Our style of adventure travel gives you the opportunity to broaden your horizons by immersing yourself in experiential activities that suit your lifestyle and which will enrich your life.

Adventure travel allows you to fulfil your dreams, by exploring and truly experiencing a country, its natural wonders, its unique culture and its people. And of course, there is nothing more exciting than a honeymoon full of romance, adventure and new experiences.

Most importantly we are a team of highly motivated and dedicated consultants, eager to share our experience and inspire you with creative travel ideas.

A honeymoon full of romance, adventure and new experiences

Planning your honeymoon

Our travel agency is located in South Melbourne. We welcome and recommend that you make an appointment with one of our Travel Consultants. They will provide a friendly and free consultation, to chat about your honeymoon plans, your special needs and that romantic destination that you dream about. The preliminary consultation normally takes about 1 hour, which is then followed by at least two more visits to run through and discuss the travel plans that we have recommended or confirmed on your behalf.

Why choose us?

The Adventure Travel Company was founded on values of offering superior customer service and unique travel experiences for all travellers.

At The Adventure Travel Company we listen to you, and then offer different travel ideas to suit your desired honeymoon destination. We are not aligned to any specific travel companies or airlines and are not biased when sourcing the best options available to suit your honeymoon.

For us, experience is one thing that you can not get from a book. As consultants we are also seasoned travellers and our first hand travel experiences will give you valuable insight into the joys and adventures of travelling.

Our honeymoon holidays are based on the value you receive, the experience you will have and the memories you will cherish.
